~You are invited to join CGS and EUC as we welcome Herbert Quelle, Consul General of the German Consulate in Chicago, to our campus. He will join three members of the UIUC faculty for a panel discussion that will look at the diplomatic, political, social, and humanitarian law implications of the influx of large populations of refugees into Europe. The speakers will also shed light on the situation in Germany, Greece and Hungary and discuss the EU policies that address (or fail to address) the crisis.
